Trademark Trial and Appeal Board

P.O. Box 1451

RESPONSE TO NOTICE OF OPPOSITION

ARMADA USA LLC (“Opposer”), a Delaware registered company, believes that the opposition (number: 91220934) to the registration of the trademark with application serial number: 86286805 (the “the Application”) should be denied and refused, and its application for trademark application is to be accepted and fulfilled, alleging as grounds of its application that:

1. ARMADA USA, LLC was established to sell special rugged mobile phones & tablets to consumers, which are aimed to be shock-proof & water-proof, hence the name ARMADA
2. The name ARMADA was chosen given the relevance of ruggedness and marine association, where ARMADA as a noun means:

Full Definition of ARMADA

1: a fleet of warships

2: a large force or group usually of moving things

Origin of ARMADA:

Spanish, from Medieval Latin *armata* army, fleet, from Latin, feminine of *armatus*, past participle of *armare* to arm, from *arma*, First Known Use: 1533 (Source: <http://www.merriam-webster.com/dictionary/armada>)

3. ARMADA USA LLC, applied to register a trademark in *bona fide* following USPTO search and validation procedures upon the confirmation that the MARK can be registered, described as:
The mark consists of a shield with Letter "A" in the center, and word "ARMADA" below the shield. The color(s) Dark Orange appear in the background of the shield, right half
The color(s) Orange appear in the background of the shield, left half The color(s) Grey appear in the outer edge of the shield The color(s) Black appear in the inner edge of the logo & text beneath the shield The color(s) White appear in the letter A inside the shield & 7 small circles on the shield.
With application number: 86286805 (application attached – Annex 1)
MARK below:

4. The Opposer's claim that the ARMADA USA LLC's application is "confusingly similar" to the ARMADA MARK filed by the opposer is considered to be irrelevant on the basis of:
- A. The opposer's registered mark is for: "ARMADA" mark, while the APPLICANT's mark is for: "A ARMADA" mark
 - B. The opposer's registered mark is described as: *The mark consists of standard characters without claim to any particular font style, size, or color.* (mark below),

ARMADA

(Source: http://tsdr.uspto.gov/#caseNumber=3920749&caseType=US_REGISTRATION_NO&searchType=statusSearch)

While the APPLICANT's mark is described as: The mark consists of a shield with Letter "A" in the center, and word "ARMADA" below the shield. The color(s) Dark Orange appear in the background of the shield, right half

The color(s) Orange appear in the background of the shield, left half The color(s) Grey appear in the outer edge of the shield The color(s) Black appear in the inner edge of the logo & text beneath the shield The color(s) White appear in the letter A inside the shield & 7 small circles on the shield.

(mark below),

Which is obviously and distinctively different in composition, design and colours.

- C. The word ARMADA in itself is neither a coined terminology nor was it invented by the opposer, but rather a commonly used SPANISH word, where the opposition goes to the actual mark formula, both are distinctively different as stipulated above. Furthermore, there are 34 registered trademarks containing the word ARMADA on USPTO database (Search results in Annex 3 attached), indicating the common use of this common Spanish word.
- D. The opposer's field of expertise (as described in the notice of opposition, page 1) is microprocessor architecture and digital signal processing. Which is obviously a different market and customer focus than the APPLICANT's indicated in article 1 above, The opposer doesn't (as per the opposition notice and website: <http://www.marvell.com/products/>) manufacture or sell any final mobile phone product under the brand: ARMADA
Furthermore, the registered ARMADA mark of the oppose (Ref. number: 3920749) is concerned with the following good and services (AS PER USPTO FILING): *Application*

processors, namely, processors and microprocessors for use in multimedia and data applications for the integration and processing of image, text, audio, graphics, and video data
(Source: http://tsdr.uspto.gov/#caseNumber=3920749&caseType=US_REGISTRATION_NO&searchType=statusSearch)

While, the registered A ARMADA mark of the applicant (Serial number: 86286805) is concerned with the following good and services (AS PER USPTO FILING): Mobile phones

(Source: http://tsdr.uspto.gov/#caseNumber=86286805&caseType=SERIAL_NO&searchType=statusSearch)

- E. The APPLICANT's products literature and marketing material clearly indicate the manufacturer of the processors used in its production (which is NOT the opposer), which eliminates any false suggestion of relationship between ARMADA USA LLC and the opposer (MARVELL), and never had any reference to the opposer in its products literature and marketing material.
- F. At no point did or will the APPLICANT intend any harm to a respectable company like MARVELL, and it was in strict good intentions that the APPLICANT has applied for the trade mark registration to start his business in the US market.
- G. The Applicant followed all the standard legal procedure to register the trade mark, which went through an examiner's search and evaluation, which resulted in the confirmation that it was in no conflict with any existing or pending marks:
DATABASE SEARCH: The trademark examining attorney has searched the USPTO's database of registered and pending marks and has found no conflicting marks that would bar registration under Trademark Act Section 2(d). TMEP §704.02; see 15 U.S.C. §1052(d).

As per the communication sent by David Yontef (Trademark Attorney Advisor Law Office 118, (571) 272-8274, david.yontef@uspto.gov) on 12 September 2014 (Communication attached, Annex 2)

WHEREFORE, ARMADA USA LLC respectfully prays for the following:

- a. A finding that the A ARMADA mark does not conflict with the ARMADA mark in connection with the goods listed in the application
- b. A Finding that A ARMADA is not likely to cause confusion with the ARMADA mark
- c. The opposition made to the registration of the A ARMADA trademark is to be denied and refused for the reasons explained above

Respectfully submitted,

Dated: April 12, 2015

- **YOUR SERIAL NUMBER:** We have received your U.S. Trademark Application and assigned serial number '86286805' to your submission. A summary of your application data is provided at the bottom of this message and serves as your official filing receipt. Please keep a copy of this information for your records. All correspondence concerning the application should reference your assigned serial number.

Please read all of the important information below. Not every mark is registrable with the USPTO and we do not refund the application filing fee(s) if a registration does not ultimately issue.

- **RECEIVING E-MAIL COMMUNICATIONS/FILING DOCUMENTS ON-LINE:** If you have authorized receipt of correspondence by e-mail, please make sure that your server will accept USPTO e-mail and not treat it as SPAM. If you have not authorized communication by e-mail, please do so at any time by using the "Change of Correspondence Address" form, available at <http://www.uspto.gov/trademarks/teas/correspondence.jsp>. If you must submit correspondence to us, please use the Trademark Electronic Application System (TEAS) forms, available at <http://www.uspto.gov/trademarks/teas/index.jsp>.
- **KEEP YOUR ADDRESS CURRENT IN USPTO RECORDS:** We do not extend filing deadlines due to a failure to receive USPTO mailings/e-mailings. You must update the correspondence and/or owner's address if a postal address and/or e-mail address changes, using the form(s) available at <http://www.uspto.gov/trademarks/teas/correspondence.jsp>.
- **WARNING ABOUT UNSOLICITED COMMUNICATIONS:** You may receive trademark-related communications from private companies not associated with the USPTO. These communications frequently display customer-specific information, including your USPTO serial number or registration number and owner name, and request fees for trademark-related services, such as monitoring, listings in international publications, and document filing. None of the companies offering these services are affiliated with the USPTO or any other federal agency. All official correspondence will be from the "United States Patent and Trademark Office" in Alexandria, VA, and if by e-mail, specifically from the domain "@uspto.gov." Please consult the "Warning" page on the Trademarks section of the USPTO's website for further information about unsolicited communications and to view representative examples of them. For general information on filing and maintenance requirements for trademark applications and registrations, including fees required by law, please consult www.uspto.gov, contact the TrademarkAssistanceCenter@uspto.gov or telephone 1-800-786-9199.
- **LEGAL EXAMINATION PROCESS:** Your application is now pending examination. In approximately 3 months, your application will be assigned to a USPTO examining attorney for review. The application cannot mature into a registration unless all legal requirements are met, and many applications never satisfy these requirements and therefore never register. The overall process can take up to 18 months.
- **CHECK STATUS AND REVIEW DOCUMENTS OR YOUR APPLICATION MAY BE UNINTENTIONALLY ABANDONED:** You **must** check the status and review all documents associated with your application at least every 3-4 months using Trademark Status and Document Retrieval (TSDR), available at <http://tsdr.uspto.gov/>.

Promptly e-mail the TrademarkAssistanceCenter@uspto.gov or telephone 1-800-786-9199 (select option #1) if an Office action (letter from the USPTO) or notice has issued for your application that you did not receive or do not understand. Failure to respond timely to any Office action or notice may result in the abandonment of your application, requiring you to pay an additional fee to have your application revived even if you did not receive the Office action or notice.

- **FILING ERRORS:** If you discover an error in the application data, you must file a Voluntary Amendment at <http://www.uspto.gov/trademarks/teas/miscellaneous.jsp>. Do **not** submit any proposed amendment to TEAS@uspto.gov, because the TEAS technical support team may not make any data changes. Please wait approximately 7 days after the filing date of your application to submit a Voluntary Amendment in order to allow for initial upload of your application data into the USPTO database. The assigned examining attorney will determine the acceptability of any Voluntary Amendment during examination. Not all errors may be corrected. For example, if you submitted the wrong mark or if the proposed correction would be considered a material alteration to your original filing, it will not be accepted. In this situation, your only recourse would be to file a new application, with a new fee and no refund of your original filing fee.

- **REQUEST FOR REFUND AND/OR CANCELLATION:** Since your application has already been assigned a serial number, please do not contact TEAS@uspto.gov to request a refund or to cancel the filing. We will only cancel the filing and refund the filing fee if the application does not meet minimum filing requirements. The fee is a processing fee that the USPTO does not refund, even if your mark does not proceed to registration.

In the limited situation where you inadvertently filed identical applications, one immediately after the other, because no confirmation of the first filing was received, please provide both serial numbers to the technical support team at TEAS@uspto.gov.
